## What Sets Bee Haven Apart From Other Daycamps

***Why Choose Bee Haven:*** Bee Haven offers winter, spring, and summer break camps, as well as professional day camps led by trained and experienced staff, who all have at least 5 years' experience in the fields of childcare and/or teaching. Our camps always have special weekly themes, and are planned with fun and educational field trips, and activities. Our focus is on making every child's experience; safe, fun, and educational. At Bee Haven camps your child will get it all; distinctive programming, field trips, games, arts and crafts, science experiments and special guests. Every day is a new adventure, and at our camps we foster an environment of inclusion and positive social growth. Generally Bee Haven uses its own vans, rented school buses, and public buses as transportation. Our focus at Bee Haven is always on making each individual child's experience the best it can possibly be!
