## What Sets Bee Haven's Kids Club Apart

**About The Kids Club:** Bee Haven's newest camp offering is the Bee Haven Kids Club, which is a day camp experience specifically designed for older elementary school children. This camp is for kids entering grades 4 - 6, and has been created with a keen focus to keeping each day fresh, new, and flexible. There is a daily activity schedule, which includes many fun, and interesting trips that are only offered to this Bee Haven camp. The schedule is more flexible for this camp than it is for others because they will be using Bee Haven's vans to transport everywhere. This means every day is a new adventure, with their friends and instructors. The kids will have input into their camp experience, and the camp instructors will always be listening and trying to incorporate their ideas. The camp instructors will try and put the kids focus on making our community better, through activities like having a lemonade stand for the SPCA (see picture below).
